REAL ESTATE TAXES:
In accordance with 15-16-102(5), MCA, the current years tax must be paid for the amount that is CURRENTLY DUE before a payment can be applied to prior years delinquencies. The payment will be applied to the oldest delinquent taxes. WARNING!! DELINQUENT TAXES WILL BE SUBJECT TO TAX LIEN PURCHASES. As prescribed by law, these assignments are available to the public.

Taxes on real estate or mobile homes may be paid in 2 installments, the first installment on or before the date due on the front and the second installment on or before the date due shown. If the 1st and 2nd installments are not paid on said dates, payments are considered delinquent and a 2% penalty together with interest which accrues at a rate of 5/6 of 1% per month must be assessed from the date of delinquency until the payment is actually received. (15-16-102 MCA) Personal property taxes are due and payable within 30 days from this notice in one payment.

Property valuation staff may be visiting your property to conduct an on-site review for property tax purposes. You or your agent may want to be present. If you wish to make an appointment, contact your local Department of Revenue office at (406) 778-7172.
